

Hi! My name is Gavin Koutrobis

I am 6 years old and I do karate in Windham. This year I am on the competition team! I love my team and we work really hard.

We are doing a comedy fundraiser so we can go to our tournaments. We need help for things like getting there and equipment.

If you can help me and my team, it would make us really happy. Any amount is helpful! Thank you for reading my paper.

From, Gavin
