

NEW Session-Coming Jan.2023!
No Experience Needed.

Join Us Online* for
Sword Classes!

Traditional Martial Arts Education Series:

(*Classes will be broadcast simultaneously via ZOOM)

KENJUTSU-Level I: The Art of the Japanese Sword

Description: Learn the Basics of Japanese Sword Fighting, through the use of the bokken (the wooden sword).

Students will learn the proper grip, correct stances, blocks & strikes, body movement... as well as strategies against opponents. Strategies that may be applied universally in self-defense, sparring & more!

Students will **work individually, as well as with partners in 'mock battles'** to better understand the sword, all under close supervision.

DID YOU KNOW? Kenjutsu is one of the martial arts that helped create the Light Saber Fight Scenes in the Star Wars Movies! **During class, students will be able to use**

REAL LED LIGHTED SWORDS!

BONUS! During the Last Class, Students will have the option to use a real Japanese Sword* with an actual 'cutting' technique! (*with careful supervision, target cutting fee add'l)
